- Qualified Flow Increase: This occurs to the extent premium paid (on any salary reduction/deduction and bank draft) when annualized exceeds the highest anticipated flexible premiums to be paid into the policy during a prior policy year. Subject to PIP rules and details.

### • Limitations

- Annuity sales in excess of \$2,000,000 of SPDA premium on a single life or \$100,000 in first year annualized flow on a single life.
- Single sum payments into existing Fixed Indexed Annuity policies during the first five policy years will receive 5% credit per premium dollar. Thereafter, any single sum payment will receive no credit.
